Additional Backup Information

On June 8, 2012, the City of Austin Health and Human Services Department (HHSD) received a revised Notice of Grant Award from the U.S. Department of Health and Human Services for the Ryan White Part C Early Intervention Services Grant in the amount of \$910,363 which includes \$872,383 level funding plus \$38,000 in supplemental funds. These additional grant funds resulted from a supplemental funding application submitted to grantor on April 24, 2012. On June 27, 2012, another Notice of Grant Award in the amount of \$935,297 was received. The previous award was increased by \$24,914 in carryover funding.

The current approved grant appropriation in the 2011-2012 budget is \$872,383. The requested increase of \$62,914 represents the difference between the approved grant appropriation of \$872,383 in the fiscal year 2011-2012 budget and the total grant amount awarded in 2011-2012 of \$935,297.

The Austin Part C Program Area proposes to use grant year 2012 supplemental funds for direct HIV services in Non-medical Case Management, medical services, transportation of clients to and from medical visits and referring clients to other needed services.

The General Fund will not be required to contribute to this grant.
